

# Bar and Club Promotions

Below you will find a list of fun establishments to go after your paintball event. Take a peek and find one that fits your group the best!

Once you have found one, please get in touch with the establishment's listed contact. Please have the following information ready:

- Date and time
- Type of Event (bachelor party, birthday party, sports wrap up, etc.)
- How many people will be joining you
- Limo arrangements (if applicable): where and when to pick you up
- Your contact information

Please note: Promotions are subject to change and subject to each establishment's terms and conditions. Restrictions may be placed on the packages. Edmonton Paintball Centre is **NOT** responsible for setting up bookings with establishments (we just supply a list of fun places to go!).

**Please mention Edmonton Paintball Centre when making your booking!**
